DAILY NEWS, REPORT & INSIGHTS AT THE SHOW

PROPAK EAST AFRICA 2024 IS A HUGE SUCCESS!

Basking from the energy and enthusiasm of **DAY 1** which saw quality visitors with purchasing power seeking new technologies and suppliers to beef up their manufacturing processes, **DAY 2** was similarly mind-blowing as exhibitors competitively pitched their offerings, presented verifiable samples and made live demonstrations to buying visitors who smartly negotiate best deals.

Accordingly, **DAY 2** of the ongoing **PROPAK East Africa 2024** show and conference was equally a remarkable success with exhibitors like **Zakka Multitec Kenya LTD** reporting huge sales, live on the show floor!

Connection, negotiation, live demonstration/ presentation with on-the-spot deals and invaluable learning experience make the current leading regional

show a huge success. And as the event continues today - as the last **DAY 3**, it is evident that the packaging, plastics, printing, food and beverages sectors in the Eastern Africa countries such as **Burundi, Democratic Republic of Congo, Kenya, Rwanda, Tanzania, and Uganda** will never remain the same.

With the event drawing to a close, organisers - **Montgomery Group East Africa LTD** - have **Continued on page 3>>**

“OUR PRIORITIES ARE CUSTOMER-ORIENTED”

- MR. PRADEEP SHAH, CMD OF MULTIGRAPH MACHINERY

Multigraph Machinery (Kenya) LTD who has recently been appointed as **BOBST** exclusive agent for East Africa is involved in the Marketing, Sales and Servicing business of various machines and equipment used in the Printing & Packaging Industries. In this exclusive interview with **CMD - Mr. Pradeep Shah** at the 8th edition of **PROPAK East Africa 2024** in Nairobi Kenya, **PROPAK East Africa DAILY** gets Multigraph reassurance to its clientele base in East Africa. Please read excerpt below for more:

CONGRATULATIONS ON YOUR APPOINTMENT AS BOBST AUTHORISED AGENT FOR EAST AFRICA; WHAT ARE YOUR PRIORITIES FOR THIS REGION?

Thank you. Our priorities are customer-oriented, focusing on helping customers achieve production and innovative solutions in the packaging field.

WHERE WILL YOU BE OPERATING FROM AND WHAT SHOULD YOUR CUSTOMERS AND POTENTIAL ONES EXPECT FROM YOU?

As already mentioned, BOBST is one of the leading players in the Packaging Industry, and our customers can expect innovative solutions and exceptional service from us.

WHAT ARE YOUR EXPECTATIONS AT THIS YEAR'S PROPAK EAST AFRICA?

We are using this PROPAK East Africa as a launchpad for Multigraph Machinery Kenya LTD (MMKL) and BOBST to be recognized in the entire converting fraternity.

WHAT IS YOUR THOUGHT ON THE POTENTIALS OF EAST AFRICA AFRICAN MARKET?

For the East African market, the converting market is growing rapidly, with many overseas companies establishing plants in countries like Tanzania, Uganda etc. This presents an ideal opportunity for MMKL and BOBST to cover the region.

WHICH PRODUCTS OR SERVICES ARE YOU OFFERING TO THE MARKET AND WHY ARE THEY DIFFERENT FROM COMPETITION?

We are offering the following verticals which BOBST is producing:

1. Labels
2. Flexible Packaging
3. Corrugated Board
4. Folding Carton

ARE THERE SPECIALS, PROMOS OR DISCOUNTS THAT YOU'RE OFFERING TO YOUR CLIENTS AT THIS YEAR'S SHOW?

During this show, we are inviting our customers to the upcoming drupa 2024 in Düsseldorf Germany and have started the registration process with BOBST. As mentioned earlier, due to the broad range of machines which BOBST is producing, we can offer customers an ideal final product at a highly economical production cost.

WHAT ADVICE WILL YOU GIVE TO A POTENTIAL CUSTOMER SEEKING THE BEST PRODUCT, SERVICE DELIVERY, AND VALUE FOR MONEY?

Given MMKL's presence in Kenya since 1995 and our successful history with Multigraph India LTD (MIL) machines, customers can rely on our local presence and track record. We have over 20 MIL machine installations in the region, and all our customers are extremely satisfied with MMKL.

PROPAK EAST AFRICA 2024 ACCENTUATES SUSTAINABILITY, CIRCULARITY ET AL

At **DAY 2** (Wednesday 13 March 2024) of **PROPAK East Africa 2024 Conference** and Eastern Africa Packaging Summit held in collaboration with Institute of Packaging Professionals Kenya (IOPPK), **sustainability; circularity; designing for recyclability; and extended producer responsibility** were brought to the fore as specialist speakers did justice to these burning topics.

With another presentation on: **insights into transformative trends in the US packaging market**, the unique sessions no doubt stimulated positive thoughts expected to engender smart and sustainable actions within the region's entire manufacturing value chain.
