DAILY NEWS, REPORT & INSIGHTS AT THE SHOW

PROPAK WEST AFRICA 2022 REKINDLES HOPE OF A PROMISING FUTURE

With live demonstration of innovative solutions throughout the entire three halls of the purpose-built Landmark exhibition centre, West Africa's biggest and largest exhibition and conference for the packaging, plastics, printing and processing industry - **PROPAK West Africa 2022** has reawakened stakeholders' confidence of a bright and promising future.

This is because observers believe that with the enthusiasm seen on

the show flow of DAY 1 (Tuesday 22nd November 2022) as a result of LIVE sector-specific machine demonstrations happening at all halls on the show ground, then the future of the entire manufacturing sector in the region looks reassuringly optimistic.

Not only that, the precise and insightful keynote presentations, conference

sessions, panel discussions, and engagements from the opening ceremony to different times within the day - further illustrate that the industry is on for the best of times. And what a fantastic opening Day 1 at PROPAK West Africa. **PROPAK West Africa DAILY** captures other news in images for your delight;

LEARN CUSTOMISED PRINT MACHINE OPERATION AND MAINTENANCE SKILLS FROM EXPERTS IN EUROPE

COLOUR MANAGEMENT

This bespoke Colour Management training is with course contents tailored to your level of knowledge, experience and ability - making sure you get the most out of the training that will extensively deal with ICC (International Colour Consortium) profile education for your particular device as well as basics of colour theory for RGB & CMYK; choosing ink & print process; and the principles of L*a*b according to the Commission Internationale de l'Eclairage (CIE) - all in a bid to help you identify colour inconsistencies for the best and cost-effective production workflow.

At the end of the practical Colour management training sessions, participants will be able to realistically perform colour simulation that can be applied across a workflow, allowing them to simulate print before committing. This exercise will not only save time throughout the design process but also cut down on wastage as colours will now be consistent and reliable.

MACHINE OPERATION & MAINTENANCE

This practical-oriented training will show how print machinery works, and the role of the maintenance in ensuring proper operation and print profitability. Emphasis will be on Stress is laid on operator's skill development as well as machine diagnosis and troubleshooting for practical expertise in maintenance procedures.

At the end, participants will be able to perform basic maintenance functions such as machinery mounting; balancing; lubrication; bearings; power transmission; shaft alignment; seals; condition monitoring; troubleshooting; safety etc

PRINTHEAD REPAIR

The printhead is a very sensitive, delicate and no doubt costly component of every printer that must be treated with the necessary care especially noting the fact that printhead is subject to wear and tear. This is why this hands-on training will show you recommended, yet practical steps to clean your print head; choosing the right media; how environmental conditions affect printheads; and OEM's endorsed printhead maintenance and repair procedures.

After the training, participants will be able to expertly maintain, repair, and prolong the service life of their printers' printheads. The aim of this skill acquisition is not only to improve operator's knowledge on printheads but most importantly empower them for added skills that would no doubt add value to our industry.

"LIKE OUR NAME - EXACT SOLUTIONS, WE GIVE OUR CUSTOMERS PERFECT SOLUTION FROM ALL OUR PRODUCTS"

Exact Solutions LTD has over the past 10 years grown to become a one-stop-shop for commercial and packaging printers in Nigeria. *Propak West Africa DAILY* chat with *Manager – Mr Victor* at the ongoing *PROPAK West Africa 2022* reveals the company's commitment to the market in excerpt below:

TELL US ABOUT YOUR COMPANY?

Exact solutions is a printing firm and agent of some printing manufacturers like Koenig & Bauer from Germany. We sell and we also give service support in our region in Nigeria and West Africa - precisely Ghana.

WHICH PRODUCTS OR SERVICES ARE YOU OFFERING TO THE MARKET AND WHY ARE THEY DIFFERENT FROM COMPETITION?

We have Koenig & Bauer machines for the offset printing; then for the post press - this year, we are exhibiting a Box Making Machine live at the show. These are the two major products we are pushing

into the market aside numerous others that we represent.

WHAT ASSURANCE ARE YOU GIVING YOUR CUSTOMERS THIS 2022 AND BEYOND TO GUARANTEE YOUR COMMITMENT TO THEIR NEEDS ANYTIME, ANYDAY?

Like our name - Exact Solutions, we give our customers perfect solution from all our products. We also give them 100% assurance that once we sell to them, they are sure of excellent service support 24/7.

FINALLY, WHAT ARE YOUR EXPECTATIONS FROM PROPAK WEST AFRICA 2022?

To sell more products this year especially the box making machine.

THANK YOU FOR YOUR TIME SIR.

“OUR CUSTOMERS CAN EXPECT MORE EFFICIENCY AND LESS COST OF RUNNING OUR MACHINES”

As a major player in the coding industry, *Ayush International LTD* is a reputable company that offers coding solutions to both large manufacturing firms as well as upcoming businesses. In this chat with its Manager - *Mr. Chris Ajijibhu*, *Propak West Africa DAILY* discovers amongst other that the company also sell, install and service Laser Marking machines. Read more about what Ayush can do in excerpt below:

TELL US ABOUT YOUR COMPANY?

Ayush International LTD is a company that is fully into coding machines; we have special machines for printing Expiry date, BATCH no, NAFDAC Reg no. etc. We are all over Nigeria and some parts of African countries like Ghana and Cameroon.

WHICH PRODUCTS OR SERVICES ARE YOU OFFERING TO THE MARKET AND WHY ARE THEY DIFFERENT FROM COMPETITION?

What we're here to do - at this year's PROPAK West Africa - is basically live demos for our customers and potential ones; so that they can see the real-life applications of our machines. We have the laser marking machines which engraves on the surface and we also have the inkjet which prints permanently on the surface. The advantage of the laser machine has over inkjet is that - it is difficult for people to fake your products.

DO YOU HAVE REPS IN WEST AFRICA TO ATTEND TO YOUR CUSTOMERS AFTER THE SHOW AND WHERE ARE THEY BASED?

Yes, as mentioned earlier. In fact, we have two representative companies in Ghana - one of them is the Golden Ghana Soap Industry.

WHAT ASSURANCE ARE YOU GIVING YOUR CUSTOMERS THIS 2022 AND BEYOND TO GUARANTEE YOUR COMMITMENT TO THEIR NEEDS

ANYTIME, ANYDAY?

We are having newer model of machines which are improvements from the older machines. So, our customers can expect more efficiency and less cost of running our machines.

FINALLY, WHAT ARE YOUR EXPECTATIONS FROM PROPAK WEST AFRICA 2022?

Our expectations are still high even though the patronage is still low, today is just DAY 1 and our expectation is after the three days, we should be able to count our gains.

THANK YOU FOR YOUR TIME SIR.

“WE HAVE LOCAL PRESENCE IN THE AFRICAN MARKETS”

In this tête-à-tête with *IPCO Team* at the current *PROPAK West Africa 2022* in Lagos, *PROPAK West Africa DAILY* reveals that *IPCO* steel belts are not only highly versatile, maintaining their strength and flexibility at operating temperatures from minus 80°C to +750°C, they are also available in such African markets as Nigeria. Read more in excerpt below about *IPCO*:

TELL US ABOUT YOUR COMPANY?

IPCO provides advanced process solutions that require a deep knowledge of customer production processes across a wide range of industries and geographies.

WHICH PRODUCTS OR SERVICES ARE YOU OFFERING TO THE MARKET AND WHY ARE THEY DIFFERENT FROM COMPETITION?

Solid and perforated steel belts. The strength and durability of the steel conveyor belts, combined with its hygienic properties, make it suitable for conveying a wide range of product, from hot to cold, corrosive, abrasive or heavy.

DO YOU HAVE REPS IN WEST AFRICA TO ATTEND TO YOUR CUSTOMERS AFTER THE SHOW AND WHERE ARE THEY BASED?

Yes, we have local presence in the

African markets such as Nigeria. FINALLY, WHAT ARE YOUR EXPECTATIONS FROM PROPAK WEST AFRICA 2022?

To meet customers and prospects.

THANK YOU FOR YOUR TIME SIR.

WHY ARE YOU AT PROPAK WEST AFRICA THIS YEAR AND WHAT KIND OF INVESTMENT ARE YOU LOOKING AT FOR YOUR BUSINESS?

As the doors of Landmark Centre, Lagos open to a three-day of live demonstration of innovative solutions, **PROPAK West Africa DAILY Crew** sought the opinions of visitors to why they are attending this year's **PROPAK West Africa** and what kind of investment they are looking at for their businesses. Their diverse answers to the above-subject matter question is in excerpt below:

MR. EBISENI FOLABADE

- WE PRINT 2017

I want to set up a one-stop shop - basically digital print hub where people can come in and get instant print. Also, to shop for digital machines against next year.

MR. SEGUN OKANLAWON - SIB GLOBAL INDUSTRY

I am into almost every stand today because I am looking to expand of my business by purchasing paper making/ converting machine.

MR. ADEWALE OJO - A&G PRINTS

To network with manufacturers of printing machines and to make purchase decision.

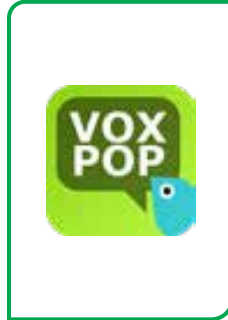

ENGR. ANDREW ODIBELU - JUBAILI BROS

I am here essentially to offer power solution to printing and plastic industries whose base-load is during the day. We have alternative but cost-effective solutions for them.

MR. ADISA AYOTUNDE - REVOLUTION PRINT

To have more insight about printing business.

MR. SAM FRIDAY - DIL LAB PRODUCTION LTD

To visit the plastics bottles producing companies.

MR. LEKAN AJANI - SALLYBAY VENTURES

To market printing rollers for Zenith and to buy machine for pure water processing.

MR. JOSEPH OUWAOMA - UWAOMA BROTHERS LTD

Mainly interested in business in printing to develop my printing business to highest standard.

MR. FRANCIS - REAL EAGLES PRINT LTD

My main focus for this year PROPAK West Africa 2022 is on CTcP i.e. Computer to Conventional Plate.

MR. CHIEBUKA EMMANUEL

I am interested in the printing and packaging sector to know more about it and see new trends in the industry.

MR. MICHAEL MESHINOYE - kaymesh@hotmail.com

I am here on networking and gathering of print information.

OUR VERDICT?

As it shows, this year's **PROPAK West Africa** (taking place over the next three days of **Tuesday 22, Wednesday 23 and Thursday 24** of November 2022) is set to meet the growing needs of the packaging, plastics, printing and processing industries in West Africa.
